SPECIAL COLOUR

Katalog DN Tekstil | **Chief Value Cotton (CVC)**

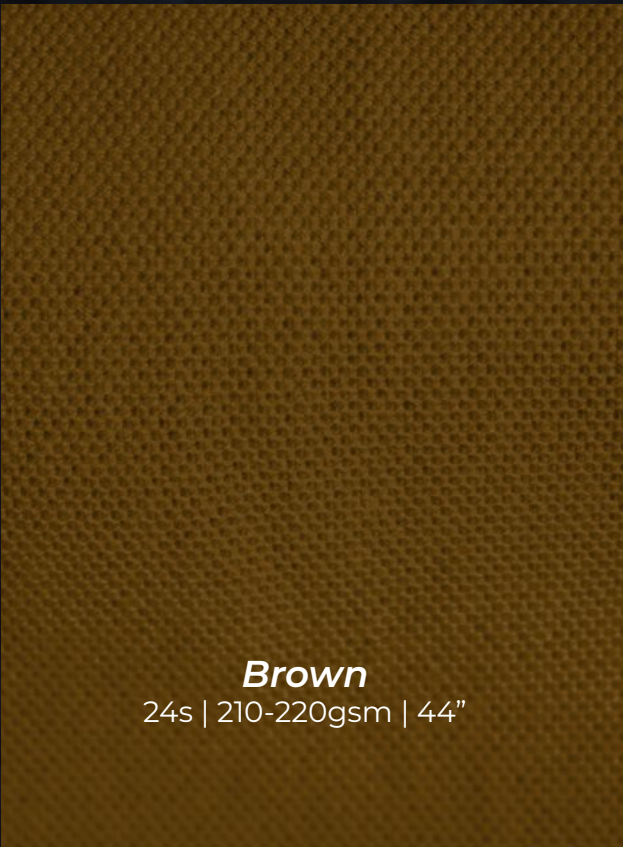

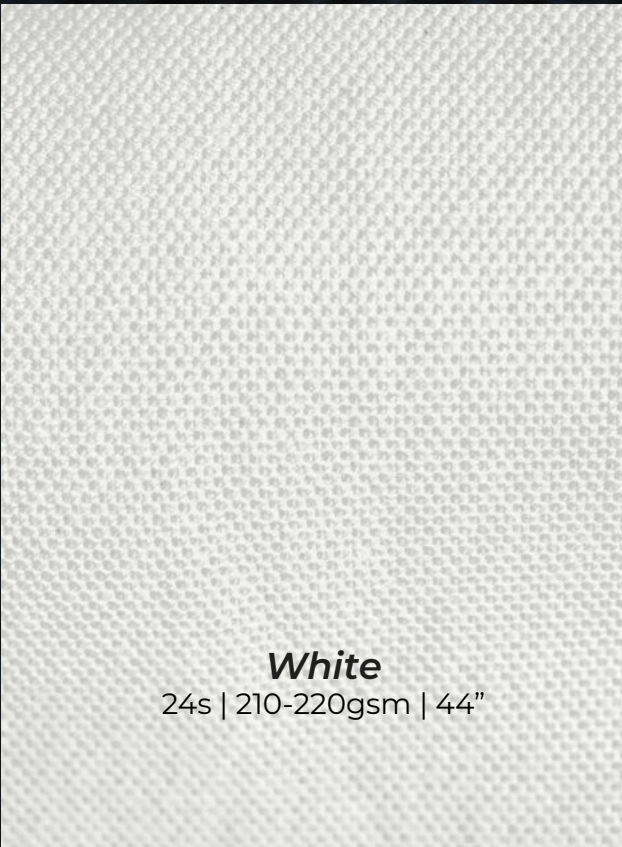

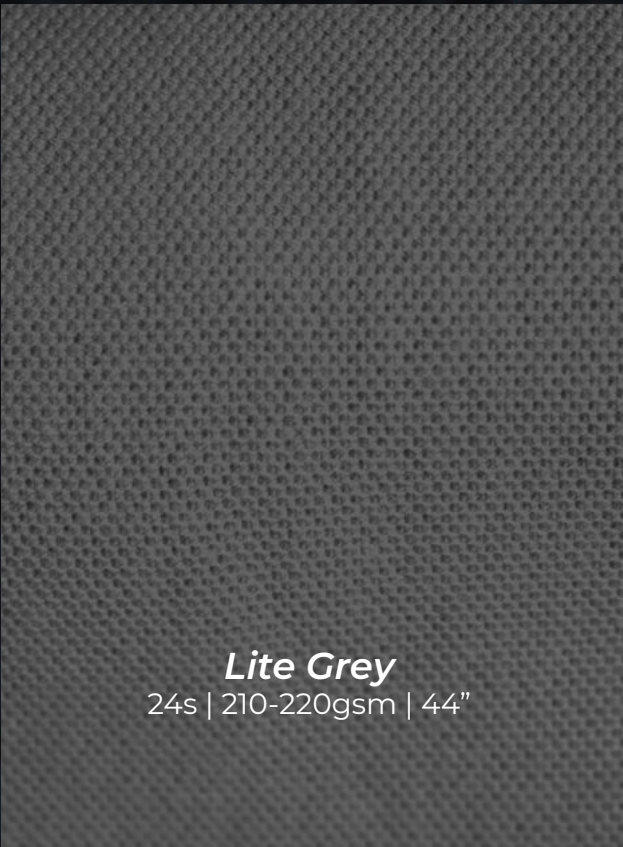

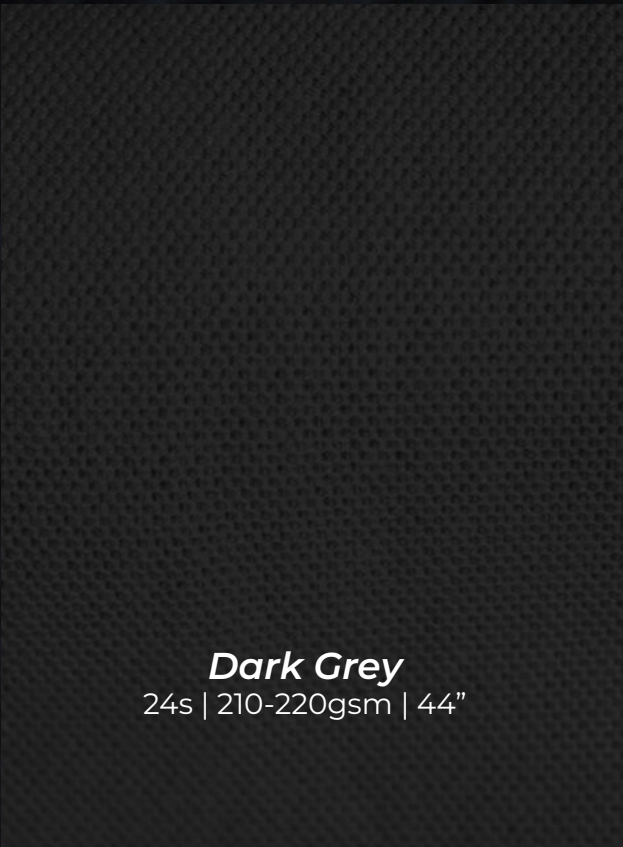

CVC | MISTY - 24s

CVC Misty 24s adalah kain berbahan campuran Cotton dan Polyester dengan dominasi serat katun, sehingga tetap menghadirkan kenyamanan, kelembutan, dan daya serap khas katun, namun lebih stabil dalam bentuk dan minim susut. Tekstur misty memberi kesan kasual, modern, sekaligus fleksibel untuk berbagai kebutuhan fashion. Dengan gramasi 180 gsm CVC Misty 24s DN cocok digunakan untuk kaos harian, apparel brand, hingga produk dengan gaya santai namun tetap awet.

CVC | Pique

Pique CVC adalah kain dengan campuran Cotton dan Polyester yang dirancang untuk memberikan keseimbangan antara kenyamanan, daya tahan, dan tampilan premium. Tekstur rajut pique dengan pola khas menjadikannya pilihan ideal untuk produk berkerah seperti polo shirt, menghadirkan kesan rapi, sporty, sekaligus elegan.

Dengan gramasi 210–220 gsm, kain ini menghadirkan keseimbangan sempurna antara ketebalan yang mantap, kenyamanan khas katun, serta ketahanan lebih baik terhadap susut dan kusut.

CVC | Fleece

CVC Fleece adalah kain berbahan dasar Cotton dan Polyester dengan permukaan luar lembut dan bagian dalam berbulu (brushed) yang hangat. Dengan gramasi 280–300 gsm, kain ini memberikan ketebalan ideal, nyaman dipakai, serta memiliki daya tahan tinggi. Sangat cocok untuk sweater, hoodie, dan jaket kasual yang membutuhkan keseimbangan antara kenyamanan, kehangatan, dan kekuatan bahan.
